Principal's Message:

Oh my goodness, it is June! Our year has almost come to an end. The 2025–2026 school year was a wonderful one at Caudle Park, with lots of great things happening. We are so proud of our students and all of the progress they have made. Thank you so much to our incredible teachers, support staff, and of course, all of our families for everything you do to help our students be successful at school.

Throughout the year, we have had lots of fun events like our Holiday Concert, dances, and the Spring Fair. Thank you so much to our amazing PTA and all of our volunteers for your hard work and support. Your contributions helped make the year so much fun for our students.

I would like to take this opportunity to thank you for welcoming me into the Caudle Park community. It has been an absolute pleasure serving in the role of Acting Principal. I have truly valued my time with the students, staff, and families. Caudle Park is a special place. I will be moving on to a permanent role as Principal at Sackville Heights Elementary School. While I will miss the students and staff, I know they will be in good hands. Information about the new Principal will be shared with the school community as soon as it becomes available.

We are still working through the staffing process for September. The administration and teachers are busy working on our class lists. As a staff, we work hard to balance the classes thoughtfully. We appreciate your patience as we work through everything involved in starting the new school year on the right note.

We wish all of our Grade 5 students who are heading to AJ Smeltzer next year all the best. We will miss your smiling faces and know that you are going to go on to do great things!

Enjoy all that June has to offer, and have a wonderful summer!

Martha & Eleanor

Caring Schools:

Our theme for the month of June is happiness. At Caudle Park, happiness can be shown in many different ways. Students demonstrate happiness when they include others in play and learning, celebrate one another's successes, use kind words, and encourage their classmates. Smiling, laughing together, helping others, and taking pride in their work all contribute to a positive and caring school community where everyone feels welcome, valued, and connected.

Grade 5 Entrepreneurship Fair:

The Grade 5 students have once again had the opportunity to participate in an entrepreneurship program this year. Over the past several weeks, the students have been working hard through the various stages of business development, including coming up with an idea or product, branding and marketing their business, and producing items to sell.

On Friday, June 5, the Grade 5 students will be setting up their businesses in the library in a market-style setting and selling their products to staff and students at Caudle Park. Classroom teachers will be signing up for a time slot to bring their classes to the market to view and purchase items. If you would like your child to support the Grade 5 students' endeavors, you may send some money with your child on the date listed above. Most items will range from \$1-\$5. There will be a variety of baked goods, drinks, ornaments, jewelry, 3D-printed items, and other crafts available for purchase.

The money raised will go toward an end-of-year field trip and hoodies for the Grade 5 students.

🎉 THANK YOU, CPES COMMUNITY! 🎉

The PTA would like to extend a heartfelt thank you to everyone who came out and supported our Spring Fair. It was a tremendous success, and we are incredibly grateful for the generosity and support shown by our school community.

Thank you to everyone who donated items for our grab bags, auction baskets, cake walk, and all the other activities that helped make the day so special. Every donation, no matter the size, contributed to the success of the event.

We would also like to recognize and thank the many volunteers who stepped forward—not only for the Spring Fair, but throughout the entire school year. From school dances to fundraising events and everything in between, your time, energy, and dedication have made a lasting impact on our students and school.

Because of the amazing support from our community, we are thrilled to share that we will be able to fully fund school supplies for all students for the 2026-2027 school year! (Families will only need to purchase headphones, markers, and a pencil case/box).

Thank you for helping us create opportunities, experiences, and memories for the students of Caudle Park Elementary. We couldn't do it without you!

Nova Scotia Loyal Farmers' Market Voucher Program:

Once again this year, students across the province will receive a \$10 Nova Scotia Loyal voucher to use at participating farmers' markets. The program encourages young people and families to explore local markets, support Nova Scotian growers and producers, and learn more about where their food comes from. From fresh produce and baked goods to locally made products, the initiative helps connect students with their communities while supporting small businesses and strengthening the local economy. Families are encouraged to visit participating markets over the summer months and discover all that Nova Scotia has to offer through the [Nova Scotia Loyal program](#). Watch for these vouchers coming home soon!

2026-27 Bus Information:

Information about student transportation for the 2026-27 school year will be available to view online through the BusPlanner Parent Portal later in July.

Families eligible for transportation will receive an email to access the Parent Portal to view their child's bus information once it is available.

Once you receive the email, you must follow the instructions to activate your new Parent Portal account and create a password. Using previous Parent Portal login information will not work.

If you can't find the email, please contact transportation@hrce.ca or 902-431-4723 for assistance.
