

Good afternoon!

We had an amazing last week at Caudle Park. The students had so much fun at the Wildlife Park despite the soggy lunch. Field day was a bouncy blast! The Grade 5's came off the bus to Hatfield farms singing and all smiles and the school dance closed the week on an all time high! It felt as though the pandemic was behind us, although we know that we still are getting positive tests each day:(We know that the week seems crazy with last minute reminders and requests. Please know that we appreciate all the family support!

School Supplies

The PTA has purchased the bulk of school supplies for the upcoming school year! Your participation and support in school fundraisers made this possible THANK YOU!.

For the 2022-2023, parents are asked to provide the following supplies:

Backpack
Lunch Bag
Indoor sneakers
Gr 3-5 Headphones

Optional items:
Pkg Large Ziploc bags
Box of Kleenex

Note: Some teachers may have an additional small request in September that is curriculum -classroom specific. Such items will be easily located at Walmart or Dollarama

Staffing

The term teachers have been hired. Welcome to Kaitlyn Mitton $\frac{3}{4}$ VP relief in Ms. Sperry's class and Krista Parsons who will be teaching $\frac{1}{2}$ until the end of February. Lacey Barrow will be teaching grade 2 until November.

Library Website

Summer reading is always a recommendation. Keeping a reading routine in the home helps children continue to practice reading strategies learned in class as well as foster a joy of reading. Remember to keep reading short 15-20 minutes daily and at the same time each day.

The summer is a great time to check out our website, the Caudle Park Exploration Library. You can find great stories, book recommendations, room escapes, drawing tutorials, and many more activities! Come in and enjoy.
