### NOTES FROM THE OFFICE

It seems as if it was just yesterday that I was writing a welcome message, and here we are in June! It has been a wonderful year at Caudle Park and our students continue to amaze us everyday. One of the most exciting aspects of working with children is seeing them grow and mature, and this time of year shows us how far many have come on that journey. At this time of year, we look forward as well as looking back, and prepare to meet new students who will be joining our family. We had a great turnout for primary orientation and the grade 5's will do a transition morning at AJ on June 11th. We look forward to September and another exciting year. Have a wonderful summer!

### SCHOOL TRIP

On June 13th the entire school will be headed to the **Sackville Bowlarama** for a morning of fun. We will go in 2 groups. Primary - Grade 2 and Grade 3-5. The littles will be bussed in both directions and the older students will walk down and bus back to the school. Teachers have already reached out for parent chaperones. In order to be a chaperone, you must submit a Police Records Check and a Child Abuse Registry. There is a link on the website:

### SUNSCREEN

We ask parents to apply sunscreen before coming to school or take time to teach children how to adequately and independently apply sunscreen on themselves. They should be aware that they are never to share sunscreen with other students, as it may cause an allergic reaction. **Do not send aerosol sunscreen** to the school as it is an eye safety risk. Teachers are **not** expected to apply sunscreen to students.

## CARING SCHOOLS

Our theme for June is happiness. It's a great time of year to look back, to celebrate all the wonderful moments of the year and to look ahead to what summer may bring.

## PTA/SAC

Thank you to the PTA for hosting the incredible Spring Fling last weekend. We appreciate all the volunteers who stepped up to assist us...we had support from parents, teachers, CPES students, RBC, the Knights of Columbus and the PTA committee. It was a very successful event. Many folks asked who the face painters were. Their name is Pigs Jig. Funds from the fair and other fundraisers this year will be put towards student school supplies.

The SAC has also been busy behind the scenes. This year, they supported the purchase of even more phys.ed equipment, advocated for some operational improvements and teacher resources.

We cannot express enough appreciation for these committees and for their members. The care and concern for our student community is a priority for them and their action speaks volumes!

## PRIMARY ORIENTATION

We hosted our primary orientation on May 23rd. Welcome to our new primaries! It was great to see you on that day and we can't wait until you start at big school! Summer is a great time to practice keeping track of your belongings and being independent. You can do it!

A copy of our Slideshow is posted on the website for anyone who could not make it on the day :) Primary teachers will be calling families before the first day of school to make first day plans!

## GRADE 5 CLOSING

As we welcome our grade primaries, we say farewell to the grade 5's. We hope the transition meetings were helpful in preparing for the big change. Don't forget to help your children coordinate their walking route and friends. Sometimes we get so caught up in buying supplies and clothes that we forget to plan the best route to walk:) Be sure to check [bussing information](#) prior to school start. **Our Grade 5 closing ceremony will be June 28th at 9am.**

## STAFFING UPDATES

We are currently in the process of staffing for next year with some changes ahead. We say farewell to Mrs. Gordon, Mrs. Kelly, Ms Poirior-MacDonald who are all venturing to other schools. Welcome to Robyn Kelly and Kathleen McNeill. Welcome back to our EPAs Vanessa and Kelly. Roxanne is moving on next year. They will be missed.

## SCHOOL HOURS FOR 22-23

8:10 doors open / break-fast program available

8:30 Classes commence

10:00 Recess

11:30 Lunch

12:30 Classes commence

2:30 Dismissal

Please aim to have students at school **on time** each day. Classes start straight away with math and literacy instruction. Late comers often miss important instruction and practice.

## LOST AND FOUND

A pair of Ray Ban boys' glasses have been found. Please contact the office. Lost and found items will be on display at the gym exit doors for the students to browse. Parents are welcome to stop by the school at arrival and dismissal to take a look themselves.

## SCHOOL SUPPLIES

The PTA worked hard to raise funds to purchase the bulk of school supplies for the 24-25 school year. The items below are the **only supplies** that students will need to purchase for next year:

- 1 package of unscented Crayola markers (24-pack)
- Headphones (grade 2-5 for technology use) Dollarama ones
- A pencil box/ case
- Backpack, lunch bag, recyclable cutlery, water bottle
- Indoor sneakers

**Optional:** Covered pencil sharpener, large Ziploc bags

**Note:** These items can be recycled from previous years. They do not need to be new.

## We have lots of end of year festivities coming up:

June 13 School Trip

June 18 Field Day

June 21 Indigenous Day

June 27 No School for students

June 28 Last Day Grade 5 Closing 9-10am

Entire school 8:30-10am
